From large classroom training for Fortune 500 companies to personalized instruction for individuals, our staff of experienced and professional trainers make learning interesting, fun, and memorable.

The BK ONE Center for Excellence in Training & Development provides the highest quality training solutions for corporates and individuals in need for HR and Management training. We invite you to join some of the leading MNC's and take advantage of this powerful training resource.

BK ONE's team members are all from the business world. Our trainers have conducted various programs at highly reputed companies, such as, GE, Capital One, Progeon, American Express, Cadence, Convergys, Daksh, Igate, Citibank, Global Vantage, EXL Services, Microsoft, Texas Instruments, MphasiS, Infosys, Accenture, Sutherland Group, ESPN, NDTV, Corporate Lawyers Association of India, Wipro-Spectramind, and many more...

They understand your needs and work with you to maximize your training potential and provide effective programs and superior service.

# EFFECTIVE

### AFFORDABLE

- World Class training, always considering quality and cost
- No in-house development cost for you company
- No major investment up-front
- Convenient billing plans
- Less down time for your organization

### FLEXIBLE

- Training for 1 to 1000 participants
- At our center, or
- At a site convenient to you

### CUSTOMIZED

- Choice of world class programs developed by leading training organizations, customized to your needs and budget
- Choice of certificate or non-certificate programs
- Training content as broad as your industry, or as specific as your department

Bikram Kumar Singh  
President and Chief Executive Officer

## PERSONALIZED ACCOUNT MANAGER

The Training Institute's account managers are experienced in business methodology, corporate structure, and training development. An account manager will be dedicated to work with you to understand your requirements, company culture, and make recommendations.

## WORLD CLASS PROGRAMS AND COURSES

The Training Institute brings together in one location an extensive curriculum of technology, business, and professional development courses, including programs from internationally renowned training organizations. We offer various HR and Management related courses.
